The Honorable Susan Ellenberg, President
Santa Clara County Board of Supervisors
70 West Hedding Street, 10th Floor, East Wing
San Jose, CA 95110

Re: Notice of Resignation from the North Santa Clara Resource Conservation District

Dear President Ellenberg:

I have sincerely appreciated the opportunity to serve as a Director for the North Santa Clara Resource Conservation District (NSCRCD or District). However, I recently moved out of Santa Clara County and will no longer be able to continue my commitment as a Director. Accordingly, I hereby tender my resignation, effective April 5, 2024.

I recommend the Board of Supervisors consider appointing William Ware as my successor on the NSCRCD Board of Directors. In addition to his demonstrated interest in natural resource conservation, Will already has a working knowledge of our District and its mission, goals, and initiatives. He holds a Master of Science in Coastal Science & Policy from the University of California, Santa Cruz, and will be a valuable contributor in the development and implementation of the District's community education, public outreach, and resource conservation programs.

It has been an honor to serve as a District Director. Thank you for considering this recommendation for my successor, and please feel free to contact me if you have any questions.

Respectfully,

Cynthia McColl
