Each special district, as defined by subdivision (a) of Section 56036, shall, at least annually, disclose any reimbursement paid by the district within the immediately preceding fiscal year of at least one hundred dollars (\$100) for each individual charge for services or product received. "Individual charge" includes, but is not limited to, one meal, lodging for one day, transportation, or a registration fee paid to any employee or member of the governing body of the district. The disclosure requirement shall be fulfilled by including the reimbursement information¹ in a document published or printed at least annually by a date determined by that district and shall be made available for public inspection.

Note: District financial expenditures are reported on an accrual basis. For purposes of this report, reimbursements are reported by date of payment, not date of accrual.
