- Important Dates to Remember for 2025-26

Complete coverage documents will be available in MemberPlus after August 1. If you would like to receive a printed copy of any of the above documents, please contact us [memberplus@sdrma.org](mailto:memberplus@sdrma.org) or 800.537.7790.

**Reminders:**

The new Credit Incentive Program (CIP) earning period began on April 1, 2025 to earn discount points on the next renewal. The updated criteria can be located in MemberPlus under RISK CONTROL and CREDIT INCENTIVE PROGRAM.

SDRMA's Risk Control team is available to assist members with a variety of risk and safety related services. Services include Cal/OSHA compliance, risk management best practices, regulatory program development, safety inspections, ergonomic evaluations, training resources, and other valuable risk control resources that are also available in MemberPlus. For additional information, contact our Risk Control Team at [riskcontrol@sdrma.org](mailto:riskcontrol@sdrma.org) or 800.537.7790.

The Risk Management Subsidy Fund is available to SDRMA members in either the Property/Liability and/or Workers' Compensation Programs to help offset risk management related costs. The program will reimburse members up to \$1,000 per program year on a first come first serve basis. The reimbursement form can be found under the RISK CONTROL tab in MemberPlus. Questions on eligible items or reimbursement requests can be sent to [ap@sdrma.org](mailto:ap@sdrma.org).

On behalf of the Special District Risk Management Authority (SDRMA) Board of Directors and our entire risk management team, it is my pleasure to extend our sincere appreciation for your participation in our program(s). We are committed to providing the lowest cost for coverage while maximizing the added benefits and risk control services provided to you as a valued member. We look forward to our continued partnership with you!

Sincerely,  
Special District Risk Management Authority
