**This is a message from the California Regional Water Quality Control Board, San Francisco Bay Region (2).**

The San Francisco Bay Regional Water Quality Control Board staff will hold a public workshop and California Environmental Quality Act (CEQA) scoping meeting to seek public input on the scope, content, and potential environmental effects from a proposed amendment to the Water Quality Control Plan for the San Francisco Bay Basin ([Basin Plan](#)). This amendment would clarify the Water Board's preferred policies related to planning and permitting estuarine habitat restoration and multi-benefit climate change adaptation projects along the shorelines and low-lying areas of San Francisco Bay and the outer Pacific Coast. The meeting will be conducted by video and teleconference. Members of the public will be able to listen to and watch the meeting and comment using the link provided in the attachment.

The meeting will take place:

Wednesday, July 27, 2021; 10 AM – 12 Noon
