This is a message from the California Regional Water Quality Control Board, San Francisco Bay Region (2).

This email provides an update to the planned reissuance schedule for the Municipal Regional NPDES Stormwater Permit (MRP). The San Francisco Bay Regional Water Quality Control Board plans to schedule a hearing to consider adoption of the MRP at its May 11, 2022, meeting. The Water Board will publicly notice the hearing and release a revised Tentative Order and responses to comments prior to the hearing.

MRP reissuance information is available on the Municipal Regional Permit Reissuance tab at:
