---

Good afternoon,

The County of Santa Clara is hosting an **online community workshop** on the Climate Roadmap on December 16th from 5:30 - 6:30 pm. The workshop will provide an overview of the Roadmap, the initial vision and goals, and an introduction to the potential emission reduction targets for the County and the measures that will help the County reach those targets. The workshop will provide an opportunity for community feedback and questions about the effort.

The workshop will be hosted online via Zoom. Please join us to share your ideas, points of concern, and local knowledge. A recording of the event will be provided on the project website after the meeting.

**Register now at:** [www.sccgov.org/climateroadmap](http://www.sccgov.org/climateroadmap).

Please share this information with your friends, colleagues, and community!

Thanks,

**Breann Boyle** | Sustainability Analyst
