Due to the Shelter-in-Place Order issued by Governor Gavin Newsom and the Santa Clara County Health Officer in response to COVID-19, this meeting was held via Zoom teleconference only, as permitted by the Governor's Executive Order N-29-20, Section 3. Call-in information for the meeting was provided on the agenda.

Note: Though agenda items may be considered out of order (for example, to accommodate the schedules of guest speakers and/or members of the public in attendance for a specific item, or when items are removed from the consent agenda), the official minutes remain recorded in the same order as originally published in the official agenda. Number of votes are reflected in the following order: Aye-Nay-Abstention, with nays and abstentions called out by Director name.

- 1. Call to Order:** Meeting was called to order at 5:02 p.m. by President Lanman. Directors present for the meeting: President Lanman, Vice-President Jahns, and Directors Bautista, Hare and Quintero. Staff present: District Counsel Gantenbein and Executive Director/District Clerk Moreno.
- 2. President's Welcome:** President Lanman welcomed guests.
- 3. Approval of Agenda**
Motion: Approve the agenda as presented. (Hare/Jahns; 5-0-0)
- 4. Public Comment:** Seth Schalet, Chief Executive Officer for the Santa Clara County FireSafe Council and Helen Chapman, Director for the Santa Clara Valley Open Space Authority and LAFCO Special District alternate, introduced themselves.
- 5. Consent Agenda**
Motion: Approve the consent agenda as presented. (Quintero/Jahns; 5-0-0)
- 6. Presentation**
 - 6.1 University of California Cooperative Extension (UCCE):** Dr. Lucy Diekmann, Urban Agriculture & Food Systems Advisor for Santa Clara and San Mateo Counties, gave an overview of UCCE's Urban Agriculture Program and discussed the current collaboration with the County of Santa Clara to draft a workplan for a Santa Clara County Food, Restaurants, Agriculture, and Health Access Initiative. She answered questions from meeting attendees and indicated an interest in future collaboration with the District.
- 7. Partner Reports**
 - 7.1 USDA-NRCS Report:** District Conservationist James Booth, Hollister Service Center, gave his monthly report and reviewed the results of the NRCS-RCD Local Work Group Meeting held on March 23, 2021, in collaboration with GCRCD and Loma Prieta RCD. He and Executive Director Moreno discussed the nutrient management regional proposal the District recently submitted to NRCS.

- 7.2 *Other Reports:* Domingo Candelas, Valley Water Government Relations, announced they sent out invitations to an environmental stakeholder meeting they are convening. President Lanman indicated he will designate an attendee if he cannot attend himself.

8. Programs and Projects

- 8.1 *Post-Disaster Technical Assistance Program:* Executive Director Moreno reported that the program is continuing to progress, and that the USDA Farm Service Agency (FSA) has indicated that NRC Manager Hale not only provided valuable assistance in their efforts to provide post-fire relief to local agricultural producers, but has “raised the bar” with the quality of his submittals. Mr. Hale gave an update on the FSA site visits and post-fire damage assessments he has been conducting. Cal Fire Unit Forester/Division Chief Ed Orre of the Santa Clara Unit also gave a brief update on the status of CalFire’s post-fire mitigation work related to fire suppression impacts, and extended an invitation to the Directors to attend a prescribed burn event in the future.
- 8.2 *Integrating Agriculture into Climate Mitigation:* Executive Director Moreno gave an update on scheduling for the second focus group and the intended development of an RCD/Agricultural Producer final report on implementation barriers and policy recommendations.

9. Administration

- 9.1 *Ad Hoc Environmental Justice Policy Committee (Bautista/Quintero):* The Committee members reported on the public meeting they held, and their subsequent progress on the policy. They would like to expand the scope of the committee to develop an “Environmental and Social Justice” policy rather than just an “Environmental Justice Policy”, and explained the reasons for the request.

Motion: Expand the scope of the Ad Hoc Environmental Justice Policy Committee to develop an “Environmental and Social Justice Policy”. (Bautista/Lanman; motion amended – see below.)

After discussion, the Directors agreed social justice needs to be imbedded in District activities, but indicated they need additional time to reflect on how best to incorporate language into the policy.

Amended Motion: Include environmental and social justice within the scope of this policy. (Bautista/Lanman; 5-0-0)

- 9.2 *Rules of Order Policy (Hare/Lanman):* Executive Director Moreno reviewed the background on the rules of order request and the committee’s work on the policy. President Lanman stated the goal was for the rules to be concise and transparent, and to emphasize the opportunity for public input and comment. Director Hare highlighted specific portions of the policy. Director Bautista requested additional time for review prior to adoption.

Motion: Table this item until the next meeting. (Bautista/Lanman; 5-0-0.)

- 9.3 *FY20-21 Annual Work Plan:* Executive Director Moreno reviewed the status of the activities outlined in the FY 20-21 annual work plan and the Directors provided feedback. They discussed the funding previously set aside to support Valley Water on development of a Guadalupe River Corridor Management Plan; in response to President Lanman’s comments regarding the importance of retaining Scott McBain as a consultant, Ms Moreno indicated she will be continuing to use him for work on other watershed issues. The Board requested that Mr. Candelas, Valley Water, seek an answer to this question: Is Valley Water's intention to still create a Coyote Creek Watershed Plan and a Guadalupe Watershed Plan, and if so, what is the process by which they will be created and what is the timeframe?

10. **Director/Associate Director/Staff Updates:** Directors, Associate Directors and District staff gave updates on topics and activities relevant to GCRCD.
11. **Meeting adjourned at 7:37 p.m.**
