

Subject **Extension of Valley Water's Stream Maintenance Program Renewal
Draft SEIR Comment Period**
From Billy Williams <BWilliams@valleywater.org>
Date 2025-09-03 02:32 PM

All,

A reminder that Valley Water's Stream Maintenance Program Renewal Draft SEIR has been prepared and made available for public review. **VW has extended the comment period by 2 weeks and will accept written comments received from July 21, 2025, through 5 p.m. on September 17, 2025.**

The Draft SEIR addresses the potential environmental effects that could result from implementation of the Program Renewal. Valley Water invites comments on the adequacy and completeness of the environmental analyses and mitigation measures described in the Draft SEIR.

You can review the Draft EIR and supporting documents at <https://www.valleywater.org/public-review-documents>

Comments must be postmarked or received by September 17. Please mail, email, or hand deliver comments to Valley Water at:

Santa Clara Valley Water District
Attention: Billy Williams, Senior Environmental Planner
5750 Almaden Expressway
San Jose, CA 95118-3686

Send comments to bwilliams@valleywater.org (please include the subject line: SMP – Program Renewal EIR Comments) or visit the Valley Water website listed above. All comments received, including names and addresses, will become part of the official public record.

Also, you can watch the SMP Renewal Public Meeting at <https://youtu.be/4zoEMhQQHUg>
