This is a message from the California Regional Water Quality Control Board, San Francisco Bay Region (2).

The San Francisco Bay Regional Water Quality Control Board has prepared a draft NPDES permit (tentative order) for the County of Santa Clara, Oregon Expressway Underpass at Oregon Expressway East and Alma Street Offramp South, Palo Alto, Santa Clara County, for discharge of treated groundwater, stormwater, and urban runoff.

The Regional Water Board will hear comments on the tentative order during a meeting starting at 9:00 a.m. on April 13, 2022. The last date for written comments is 5:00 p.m. on March 14, 2022. The Regional Water Board will hear oral testimony but will not accept written comments after this date.

The tentative order can be obtained from our website at:
