

Resolution of the Board of Directors (“Board”) of the Guadalupe-Coyote Resource Conservation District (“District”) Adopting a Local Rules of Order Policy

Whereas, the Board wishes to establish local rules of order for conducting District meetings to ensure that its meetings are conducted in an orderly, regular and internally-consistent manner; that Directors have the necessary information to make decisions on substantive issues; that time is allocated for adequate discussion of decisions to be made; and that meetings and actions are conducted so as to be informative to the staff and the public, and to produce a clear record of actions taken and decisions made.;

Whereas, the District reviewed the proposed policy at its meeting on April 1, 2021 and wishes to adopt the policy, which is intended for use by the Board of Directors and standing committees of the Board.

Whereas, this policy, while setting forth procedural rules for the conduct of meetings of standing committees, shall not be construed to grant any committee the power to take action on behalf of the Board.

Now, therefore, be it resolved that the Board hereby adopts the Local Rules of Order Policy, effective April 1, 2021, and rescinds any previous versions of rules of order previously adopted by the Board.
