This is a message from the State Water Resources Control Board

Public Notice: [A Notice of Preparation and California Environmental Quality Act \(CEQA\) Scoping Meeting](https://www.waterboards.ca.gov/water_issues/programs/cwa401/docs/2021/notice_ceqascopingmtg_pge.pdf) has been posted to the State Water Board's webpage, and is available at https://www.waterboards.ca.gov/water_issues/programs/cwa401/docs/2021/notice_ceqascopingmtg_pge.pdf

State Water Board staff will hold a scoping meeting to receive input on the content and scope of an Environmental Impact Report (EIR) that will be prepared to assess the potential environmental effects of a proposed General Order.

Proposed General Order/Project: Clean Water Act Section 401 Water Quality Certification and Waste Discharge Requirements for discharges associated with Pacific Gas and Electric Company (PG&E) San Francisco Bay Area Operations and Maintenance (O&M) Activities (General Order). The proposed General Order would streamline the permitting process for ongoing and routine maintenance activities conducted by Pacific Gas & Electric in the nine counties surrounding the San Francisco Bay Area.

Public Scoping Meeting: 1:00 p.m. on Tuesday, January 11, 2022

Comment Period: Begins today (December 7, 2021) and ends at 12:00 p.m. on January 14, 2022
