Good afternoon all,

As required by Proposition 19 legislation, the County will submit registration information to the California Department of Tax and Fee Administration (CDTFA) for **all local agencies** to facilitate potential reimbursements from the State (please see Prop 19 background info at bottom of this email). We need your assistance to ensure the correct local agency information is provided during registration.

Attached, please find the registration list. Please verify or provide (where blank) the information for your agency. We would appreciate your response by March 1, 2024.

Registration requires:

- 1. Local Agency Name
- 2. Local Agency FEIN
- 3. Attention
- 4. Local Agency Warrant Mailing Address

Proposition 19 Background:

- Approved in the November 3, 2020, General Election
- Added sections 2.1, 2.2, and 2.3 to article XIII A of the California Constitution allows certain taxpayers may transfer the taxable value of their primary residence to a replacement primary residence, regardless of the replacement residence's value or location.
- Local Impact Assessed Value changes from Proposition 19 result in a tax revenue gain or loss to jurisdictions.
 - For net losses reimbursement *may* be available.
- Registration with CDTFA is required to receive reimbursement (CDTFA will mail warrants to jurisdictions directly).
