Help Shape the Future of Conservation in Northern Santa Clara County

The North Santa Clara Resource Conservation District is seeking public input on its Draft 2025-2030 Long Range Plan.

The Draft Plan establishes the Board of Directors' strategic direction and identifies the conservation priorities, strategic goals, and guiding strategies that will help guide the District's work.

This is intended to be a short survey. You do not need to answer every question, and you are welcome to comment only on the portions of the Plan that are of interest to you.

Please review the Draft Plan before completing the survey:
