[A Guide to advocating for beaver restoration in National Forests](#)
step by step guide from NWF outlines the logical steps to advocating beaver in our forests.

Plus a new beaver paper from Rick Lanman documenting beavers in Alameda

[Western Message Petroglyphs Indicate Historic Beaver Presence in San Francisco Bay Area Watershed](#)

And the first of five short films from Hermit's Peak Watershed Alliance in New Mexico about why beavers can help us.

[Partnering with Beaver](#)

A GUIDE TO ADVOCATING FOR BEAVER RESTORATION IN NATIONAL FOREST PLANS
