Dear Interested Parties,

You are receiving this email because you have previously expressed an interest in the County's proposed Overlay Zone for unincorporated Coyote Valley.

A few updates to briefly share:

- Past outreach meetings have been recorded and are available on the [project webpage](#).
- On Thursday 8/26 at 1:30 pm County staff will provide a project overview to the Planning Commission. This agenda item is informational and will not involve taking any actions. This presentation will reflect what has already been presented during past meetings. Instructions for virtual participation in the Planning Commission meeting can be found in the [meeting agenda](#) or on the [project webpage](#).
- Prior to any future meeting in which the Planning Commission will take action on this project, we will post all proposed amendments on the [project webpage](#) for review, likely in the next month. When the proposed amendments are ready to review, we will send a notice to this email list in addition to mailing paper notices to all property owners within the proposed area of the overlay zone.

As always, feel free to reach out to me directly by phone or email if you have any questions or concerns about this project.

Regards,  
Michael
