Dear President Gomez -

I have been requested to send this to you, as the newly-named President of CARCD, on behalf of the Riverside-Corona, North Santa Clara, Loma Prieta, San Joaquin County, and San Jacinto Basin RCDs.

Please confirm that CARCD will be providing the requested records by March 22, 2024, as requested in our letter sent to the officers and board members of CARCD on February 29, 2024 (attached). If you will be unable to meet this date, please contact us without further delay to request a reasonable extension of time to respond to our request.

By separate petition, also sent on February 29, 2024 (attached), we requested CARCD convene a special meeting within 45 days. Please advise as to when you intend to notice that meeting.

Thank you!

Sincerely,

Stephanie Moreno, Executive Director/District Clerk

Dear President Pongs,

CARCD is anxious to provide all the information requested in your letter dated February 28, 2024. We have retained Counsel that specializes in Non-Profit Benefit Corporations to ensure that we provide the information you need in a way that meets our legal obligations and, importantly, to ensure that in the future we operate with the benefit of their expertise in non-profit law.

The majority of the information requested is already available, but in order to ensure that we provide everything you requested at one time and not piecemeal, we require a bit more time.

Please be assured it is our desire to lessen your concerns about the transparency and the intentions of CARCD, and that we will provide all requested information soon.

As this is already easily accessible, we are sharing now the link on our website where you can find Board Meeting Minutes: <https://carcd.org/board-meetings/>.
