---

Good morning Stephanie,

I am following up on Director Maitski's request to have the NSCRCD Board tour the Anderson project site.

I will be coordinating this tour and wanted to ask if you could please provide some dates that would work for the Board in November, ideally between 9:00 a.m. to 2:00 p.m. I'll need to field the dates and times with the project team to ensure we are not disrupting the construction crews.

I wanted to also note that, as this is an active construction site, Valley Water staff will need to shuttle the tour group to Anderson. We can shuttle the tour group from Valley Water headquarters or another location that works for the group.

If you have any questions, please don't hesitate to let me know.

Cordially,

**GENEVIEVE YIP**
