

Notice of Funds Available: Illegal Disposal Site Abatement Grant Program (FY 2022–23)

[Criteria](#) | [Eligibility](#) | [Funding](#) | [Timeline and Cycle Details](#) | [Grant Administration Documents](#)

Widespread illegal dumping of solid waste adversely impacts Californians in many ways. Properties on which illegal dumping occurs lose economic value; create public health and safety and environmental problems; and degrade the enjoyment and pride in the affected communities. Abandoned, idled, or underutilized properties due to unauthorized dumping impact what were once the sources of economic benefits to a community. Many such properties have been abandoned or have owners who are unable or unwilling to pay the costs of cleanup. This program provides financial assistance in the form of reimbursement grants up to \$500,000 to help public entities accelerate the pace of cleanup, restore sites, and turn today's problems into tomorrow's opportunities.

Criteria

Eligibility

Applicants

[California Labor Code section 1782](#) will prohibit charter cities from receiving state funds or financial assistance for construction projects if those cities do not comply with sections 1770-1782 of the Labor Code. If any applicants or participating jurisdictions are charter cities or joint powers authorities that include charter cities, the lead participating jurisdiction must certify that Labor Code section 1782 does not prohibit any included charter city from receiving state funds for the project described in this application, [more information can be found on CalRecycle's California Labor Code section 1782](#).

Eligible applicants include public entities, including counties, cities, districts, state agencies, and Joint Powers Authorities.

Projects

Eligible projects include solid waste cleanup project sites where cleanup is needed to protect public health and safety and/or the environment within the applicant's jurisdiction.

Funding
