Hi Stephanie!

Here's some details on my partner update for this evening-

1. Urban & Community Agriculture Conservation Grants → Open through April 1st, 2024 (up to \$60K for Implementation Grants or \$10k for Planning Grants) - <https://www.nacdnet.org/urban/>
2. Climate Smart Commodities Grants → Project Grants open through March 15th, 2024 (variable maximums dependent on match); Planning & Capacity Grants open through May 15th, 2024 (\$15K maximum w/ 10% match requirement) - <https://www.nacdnet.org/about-nacd/what-we-do/climate-smart-commodities-project/>
3. NACD Advocacy Opportunities → Spring Fly-In will take place March 20th, 2024 – Feel free to reference or utilize NACD issue papers and training events for local, state, and national advocacy efforts both virtually and in person - <https://www.nacdnet.org/news-and-events/spring-fly-in/>
4. NACD Publications → We'd love to share your district's innovative approaches to conservation service delivery – please let me know if there are any projects/accomplishments that you would like us to showcase for other conservation districts and partners throughout our network. Peer-to-peer success story sharing is a strong tool for inspiring others in this important locally-led work.
5. NACD Events → February 2024 Annual Meeting in San Diego, CA Update; NACD Summer Meeting in Boston, MA, August 10-13, 2024 - <https://www.nacdnet.org/news-and-events/summer-meeting/>; NACD Pacific/Southwest Region Meeting in Anchorage, AK, September 11-13, 2024 - <https://nacd.akvillage.org/>

Thanks so much!

Caleb
